**Thursday 11 March**

### **Stunning performance of the 'Dr Who' Play**

It seems a long time since the first week in January when Year 5 and 6 started to think about Doctor Who. Each class came up with a great long list of ideas for the great Time Lord's travel plans. The list contained ideas which would need a Hollywood special effects department and others which could entertain the crowds at The Royal Opera House. However, also in there were 5 little gems of ideas which grew and twisted and turned until they became the production we saw this week.

It has been a journey! There was laughter and tears; there were times when the creativity of the children in front of me inspired me and there were times when I just didn't know how we'd get there on time, but we did. I think that every one of those children on and off the stage on Thursday night have a lot to be proud of!

And if they can do that in Year 5 and 6 – what will they be like after a few more years of practice?

### **Maths Lessons at Lambeth Road**

Miss Angelakis' maths group have been studying analogue and digital TIME. The children made a clock with their bodies and took turns demonstrating times together. Mrs. Driver spends one lesson weekly doing a language focus input with the group and Mrs. Constable also assists the class in group activities. It is the trans-disciplinary approach that makes what we offer at Fairley House School so unique!

## Friday 12 March

### Parents' Association Coffee Morning

Thank you to all the parents involved in making the Parents Association Coffee Morning so successful. A total of £216 was raised and ALL the cakes that were kindly made, were bought! The Parents' Association have promised to arrange a cake sale for the Juniors next term!

### Money raised from Mufti-day for Cancer Research

On 12<sup>th</sup> February when Fairley House had a Mufti-day where all the children and staff came into school in casual clothes, a significant amount of money was raised. In total, £417.60 was raised for Cancer Research and this was in memory of Anne Fitzgerald, Senior Department School Secretary.

### Sports Scores for this week...

#### Monday 8 March

Year 5 played a Football Match vs Hampshire Schools at Battersea Park.

**Result:** 3-1 Win to FHS!

#### Lambeth Road Football Match vs Parkgate

On Monday we played against Parkgate and won 2-0 and 3-1. In the first game Rhys and Archie scored the goals and were well supported by Matthew in

goal, Henry, Jake, Samuel and Tom. In the second game the goals were scored by Joseph, Josh and Sebastian. Also playing were Jack, Clayton, Lucas and Dash who was outstanding in goal. Well done to both teams for playing in a great spirit and working really hard to secure victory.

Thank you to Mrs Guy for coaching her team to a well earned victory. **Mark Bolton**

#### Lambeth Road Hockey Tournament

Fairley House Junior Hockey team were invited to a hockey tournament hosted by Newton Prep on Monday 8<sup>th</sup> March. The Fairley House squad consisted of Mia, Naila, Agatha, Noah, Gareth, Simon, Barbara, Esme and George. Unfortunately FHS lost both their group matches against Newton Prep and The Hall School, 1-0 and 2-0 respectively. The team showed great spirit and played with a brilliant attitude. FHS had some good chances but unfortunately couldn't convert them in front of goal. The final match for FHS was for the 5<sup>th</sup> place play off which was the chance of a rematch against Newton Prep, but the tired legs of a hard working Fairley House side were not able to stop Newton Prep from sneaking in the winning goal late in the second half. All the players showed great sportsmanship, had lots of fun and came away with a nice certificate and big smiles on their faces. **Oli Burroughs**

#### Tuesday 9 March

Years 5 and 6 played Tag Rugby Match vs Oliver House.

**Result:** FHS lost 7 - 5

#### Lambeth Road Tag Rugby vs Dolphin House

On Tuesday we played Dolphin School at Tag Rugby. Unusually we were quick out of the blocks and scored an early try. Tries were swapped back and forth and we were in front 4-3 at half time. In the second half we took control and for a period Clayton was unstoppable! Dolphin staged a recovery and in the end it was an exciting finish with Fairley House winning 11-9. The tries were scored by Clayton(6),

Josh(1), Joseph (1) and Sebastian (2). The most pleasing aspect of the match was the passing and teamwork of every player which helped complete some flowing moves for the tries. The team also consisted of AJ, Rhys, Lucas, Jake and Archie.
