Monday 10 May – Year 3 visit the Tate Britain

On Monday 10 May the Year 3 class went to Tate Britain to see the exhibition on sculptures by the famous British artist Henry Moore. It was a relaxing educational trip and the children produced some excellent sketches of their favourite pieces. Mrs Hamilton kindly assisted Miss Angelakis and Mrs Driver on the outing. Visitors at the gallery were very impressed with the good behaviour and the quality of the art produced. The children made lovely comments and the public enjoyed some of their critiques! We have proudly displayed their work at school. Ethan loved drawing the carvings best. Mia was so engrossed that we had to drag her away and Alfie couldn't stop thanking and hugging the teachers at the end of the day. There is no greater reward! **Maria Angelakis**

Tuesday 11 May

Year 4 enjoyed a workshop at the Garden Museum led by two botanical Artists. They showed the children how to look carefully at the trees and plants. The children went to the park to do bark rubbings and investigate seed pods and leaf shapes and colour. They then went back to the Garden Museum where they were shown how to do observational drawings and to use watercolour paints to create a 3D effect for painting fruit. The children produced some beautiful drawings and watercolours, some of which I'm sure will be displayed at Lambeth Road.

Thursday 13 May – Heartstart Training

Year 8 pupils completed the final part of their Heartstart emergency life saving skills course on Thursday. They learned about how to give cardiopulmonary resuscitation – otherwise known as CPR. They practiced giving 30 chest compressions followed by 2 rescue breaths, using manikins donated to the school by the British Heart Foundation. Year 9 students, who completed their own training in 2009, were on hand to help their fellow pupils develop their first aid skills. Teachers were very impressed by the attitude of all pupils involved in Heartstart but would like to give special mentions to Patrick and Stratton, from Lennon Class and Flora and Max from Cruise Class, for their excellent work on the day. **Sonia Aboagye**

Friday 14 May – Coffee Morning and Cake Sale at Lambeth Road

The coffee morning and cake sale at the Junior Department on Friday 14th May was well attended and much enjoyed by both children and staff. Jenny Ringo, Cindy Friedman, Christina Dobbs, Paola Frering and Lara Fares came to serve the coffee and cakes. The cakes were delicious and generously donated by parents. A huge 'thank you' to these ladies in particular and to all parents who were able to attend or kindly baked and sent in cakes.

Friday 14 May - Lambeth Road Cricket Match vs Northcote Lodge

We played Northcote Lodge on a glorious afternoon. Northcote Lodge batted first and scored 39 runs but lost 10 runs for two batsmen getting out. Josh took both wickets through accurate bowling. Archie also bowled straight and accurately. Fairley House then went in to bat and scored 47 runs but lost 20 as four people were out. Sebastian, Joseph, Josh and Noah batted very well. There were also contributions from Simon, Jack, Rhys, Clayton and Oliver. All the team played very well and we are closing in on our first victory of the season. It was a very close match played in great spirit and was well attended by a number of parents. The final score was Northcote Lodge 29- Fairley House 27. **Mark Bolton**

Junior Department Star Badges

Oak

Star of the Week – William

Maths Star of the Week – Florence

Pine

Star of the Week – Rhys

Maths Star of the week – Naila

Maple

Star of the Week – George

Maths Star of the week – Esme

Willow

Stars of the Week – Jao-To

Maths Star of the week – Archie

Senior Department Top Credit Scorers

This week's top credit scorers are:

| | |
|--------------|----|
| Max | 36 |
| Massimiliano | 30 |
| Jack | 29 |

What's happening next week...

Wednesday 19 May

All Causton Street parents have a meeting at Causton Street at 4.15pm to 5.15pm about trips this term.

Also on Wednesday 19 May Graduate students from Radford University, USA will be visiting Lambeth Road.

Thursday 20 May – KS2 Trip to Duxford

As part of their Science studies Y4 and Y5 will be taking part in a 'Flight Day.' The event is held at the Imperial War Museum in Duxford. **Children will return at 4.30pm.**

Friday 21 May – There will be Maths morning at both Lambeth Road and Causton Street on Friday. The theme for Maths morning is 'problem-solving' and each class will have a different mathematical task.

Reminders

Term dates

School finishes on Thursday 27th May at 3pm after the Spring Fair and next term will begin on Monday 7th June.
