### **The Cruise Class London Adventure for winning the KS3 Class Competition**

On Wednesday, Cruise class walked from Causton Street to Bloomsbury and passed some very famous London attractions. The class were given clues to each location and had to work out where they were going. Our first clue was a building that was stripy and holy. The class looked around the skyline for a stripy building and when we spotted one we walked to check if it was also could be decided as holy - it could, as it was Westminster Cathedral. Our next stop was Buckingham Palace followed by a walk down the Mall, stopping off to see the statue of the 'Grand Old Duke of York.' After a quick sing-song, we spotted Lions in Trafalgar Square and looked out for celebrities in Leicester Square (we didn't see any). Following a speedy stroll through China Town we picnicked outside the British Museum then concluded our day in the 50's bowling centre in Bloomsbury. Dylan had the top score and Miss Druttman did pretty well too. A brilliant but exhausting day was had by all. **Katie Read**
